We Pray for the Peace of Jerusalem! Psalm 122:6

March 22, 2003

Shalom,

The above date marks **5 years** since our beloved son Ray and family, Carolyn, Josh, and Ben left this world together to be with Yeshua. An emptiness remains that will never be filled, and companions-in-ministry that can hardly be replaced. Josh would be 17 and Ben almost 14 now, good helpers! But that is for this life only! We know we will be together again for eternity, with Yeshua, our Lord & Savior!

God has been and will always be faithful to His Promises! "I will never leave you nor forsake you," was true for Ray and family in that fiery plane crash, and is true for us today. There is no other way to truly live, but by absolute Trust in Bible promises! **Thank you** for your condolences and encouragements!

The enclosed Brochure is of our expanding pioneer ministry: the **Asia Pacific Messianic Fellowship**. The BIBLE CONFERENCE to be held June 3 – 9 will be a great time to develop a bond of cooperation and fellowship among Believers who live in the region with a greatly enhanced understanding of the Bible in its historic, original setting. The theme is: **If you love Me, Keep My Commandments!** John 14:15. Obedience is the *natural, joyful* response from a true Love, something sadly lacking today.

Obedience to the Great Commission of Yeshua (Jesus) will be emphasized, to carry His Truth to all in the Asia Pacific region, which is far behind in being reached with Bible Truth. Probably the Philippines and South Korea are ahead of all the rest. Pray with us that all who attend will be motivated to be greater students of the Word and more active to evangelize and make disciples in their language area, and be blessed as each carries home and teaches what he has learned at the Conference.

Naomi and I fly out of Tampa, FL on NWA on April 8, arriving in Baguio City, Philippines April 11. We return to Tampa on June 17. If you would like us to visit you during this summer, please let us know. Last summer we did the West Coast USA. This summer we might consider the East Coast, USA & Canada, and maybe the Midwest. Our favorite mode of transportation is an 18-wheeler... with 4 engines (747), but we also enjoy 4 wheels under us on the highway and lots of motels as needed.

Yes, we know of Islamic terrorism in the Philippines! Martin Burnham, who was murdered by Muslims, was our son Randy's roommate in high school. Islam is an evil political system using a contrived religion of lies to deceive its followers, who need salvation in Yeshua The Jewish Messiah. Revelation 17:1-2 describes this age-old tactic of enslaving people. Randy & family still request prayer for 5½ yr old Jake. He just spent a week in the hospital. Doctors think he has either Crohn's, colitis, or extreme food allergy. Jake's attitude is great, however. Ron continues living near us and helping with the chores on our 3 acres in the wilderness.

Shalom with our Love,

Roger & Naomi Walkwitz

(pssst. My high school buddy says we will go to China summer of 2004, for our 75th birthdays! He was born there.)
