	State Rank, Exam, Clinic Points, Years Experience, and MFOA points make up the MFOA Relative Rating Roster											
	The order of importance are as following; State Rank, MFOA points, Exam, Clinic Points, and then years experience.											
	These appear in bold face above. The columns in italics are the components that make up the MFOA points.											
	EXPTS = Exam points (if you take the Open Book exam or a Make-up exam the maximum points you can earn are 10 if pass with a 75 or higher), YRPTS = Completed years experience points, VRC = Video rules clinic, CLPTS = Local association clinic attendance from the previous year, and ADPTS = All Day field clinic points. The point breakdown for these can be found on p. 29 of the state issued 2009-2010 FHSAA Officials Guidebook. Our local association takes the total number of CLPTS and multiplies by 2 for a total of 20 maximum points and the All Day Field Clinic has a maximum of 10 points.											
	The SRPTS = State Ranking points; Rank 1 = 10 points, Rank 2 = 8 points, Rank 3 = 6 points, and Rank 3A = 2 points.
